

Potomac Watershed Partnership

2015 Winter Information Exchange

Cultivate Connections in the Potomac Basin

Join watershed groups, non-profits, state and federal organizations from across the Potomac Watershed to discuss environmental initiatives regarding forest buffers, tree canopy studies, outreach and programming, forest links to water supplies, and more! We want to hear what your organization is doing so bring a topic for the free form discussions following the morning presentations.

Tuesday, December 8, 2015

10:00 A.M.— 3:00 P.M.

Free and Open to the Public

RSVP at www.PotomacPartnership.org

Afternoon Free Form Discussions:

The Law of Two Feet. Take responsibility for what you care about. Use your own two feet to move to a discussion you can best contribute to or learn from. Whoever joins are right people. Whatever is discussed is the right subject.

PWP is coordinated by Cacapon Institute. We do not discriminate on the basis of race, color, national origin, or sex and strive to be inclusive, regardless of age or disability, and seek a diverse workforce and audience. Handicap parking and access available.
